P.J. Steverman Golf Classic
c/o: Friends of Scituate Recreation,
600 Chief Justice Cushing Highway
Scituate, MA 02066

Playing golf at Widow's Walk is much like driving a 600-horsepower car on a twisty road. Both reward finesse over power. To golfers, this requires hitting the ball straight off of the tee.

Widow's Walk is an environmentally friendly links-type course, meandering through undisturbed wetlands and sand dunes with the holes laid out to fit among the site's natural resources.

The 6,403-yard, par-72 layout has some challenging holes and being so close to the ocean, wind often comes into play.

There are four sets of tees—measuring from 4,562 yards from the yellow blocks, to just over 6,400 yards from the blue blocks, allowing golfers of all ages and abilities to enjoy their round of golf.

13th Annual P.J. Steverman Golf Classic

Your generosity helps far beyond the day of the golf tournament. This golf tournament has raised over \$220,000 for the Friends of Scituate Recreation, Inc. The Scituate community as benefited from all proceeds raised through the tournament.

The Friends of Scituate Recreation is a non-profit organization that sponsors youth and adult projects and programs through out the Town of Scituate.

The Friends of Scituate Recreation annually sponsor and/or support the PJ Steverman In-Line Hockey Rink & Skateboard Park, an Egg Hunt, C.O.R.S.E. foundation, Scituate All Night Graduation Party, Scholarships for Scituate High School Graduates, Scituate Community Christmas, Recreation Summer Scholarships, Scituate Harbor Summer Concert Series. This is a small sampling of the donations the Friends of Scituate Recreation make to the Town of Scituate. We are able to sponsor and support all of these events because of your help. A project we are proud of is the message board located at the Scituate Transfer Station informing residents of the Town about the Recreation Department's ongoing classes, programs, and special events.

One of the most important accomplishments to date is "CHOICES". "CHOICES" is a professional documentary that tells the story of P.J.'s life and tragic death. The target audience for this video is high school seniors. Since the premiere of "CHOICES" in June 2006 the Steverman

family has presented "CHOICES" to thousands students throughout the South Shore. We are confident this documentary will educate high school graduates to think twice before making any "choice" in life.

The funds from last year's tournament afforded us the opportunity to purchase a fleet of 420 race boats for the Scituate Recreation Community Sailing Program. Because of this donation the Recreation Department was able to expand the sailing program this summer from a beginner program to a racing program for people ages 9 through adults.

We hope you will be able to join us this year and continue to raise funds for a terrific cause!
